Supply meant for export under bond or letter of undertaking without payment of IGST.

This is a Computer Generated Invoice. No Signature is Required.

These items are controlled by the U.S. Government and authorized for export/reexport only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

For sales within Europe, products listed in this document may need an export license if exported outside of the European Union Customs Union (EUCU).
