EXPORT NOTICE:

Flowserve's non-US subsidiaries have decided to undertake a phased-withdrawl from conducting any new business in the Iran,Syria and Sudan markets, effective from the 1st January 2007. Consequently, you are not permitted to re-export any Flowserve Products for end-use in any of these countries without express written communication from Flowserve.

It is your obligation to comply with all applicable national and international export, re-export, and/or economic sanctions laws and regulations and to obtain necessary approval prior to the export and/or re-export of Flowserve products and/or technology. Please be aware that diversion of Flowserve products is strictly prohibited. Failure to comply with all applicable export, re-export and/or exconomic sanctions laws and regulations may result in serious consequences including, without limitation, monetary fines, laws of export privileges, imprisonment and/or blacklisting by goverment bodies. For more information contact your local Flowserve Customer Service Representative.
