CERTIFICATE OF ANALYSIS

Product	: Amlodipine Besilate	Reference STP No.	: AL-013-02, AL-015-01.
Batch No.	: AAAL26070071	Reference	: Ph.Eur.
Date of Manufacture	: 30-06-2026	Batch Quantity	: 1005.79 Kg
Analytical Report No.	: HD01FP26005940, HD01FP26005998	Date of Analysis	: 14-08-2026
Storage Condition	: Store at 25°C (Excursions permitted between 15°C and 30°C)	Retest date	: 29-06-2031
		Status	: Re-Certified

S.No	Test	Specifications	Results	Reference
1	Appearance	White or almost white powder.	White powder	Ph.Eur. Current edition
2	Solubility	Freely soluble in methanol, sparingly soluble in anhydrous ethanol, slightly soluble in water and in 2-propanol.	Complies	Ph.Eur. Current edition
3	Identification by IR	The infrared absorption spectrum of the finely ground sample in mineral oil (liquid paraffin) dispersion should exhibit maxima only at the same wave numbers as that of a similar preparation of Amlodipine Besilate working standard.	Matches with the standard spectrum	Ph.Eur. Current edition
4	Optical rotation	Should be between (-) 0.10° and (+) 0.10°	(+) 0.004°	Ph.Eur. Current edition
5	Related Substances by HPLC	3-Ethyl 5-methyl (4RS)-4-(2-chlorophenyl)-2-[[2-(1,3-dioxo-1,3-dihydro-2H-Isoindol-2-yl)ethoxy]methyl]-6-methyl-1,4-dihydropyridine-3,5-dicarboxylate (Impurity-A)* : Not more than 0.10 %	Not Detected	Ph.Eur. Current edition
		3-Ethyl 5-methyl 2-[(2-aminoethoxy)methyl]-4-(2-chlorophenyl)-6-methylpyridine-3,5-dicarboxylate (Impurity-D)* : Not more than 0.20 %	0.12% (QL=0.009%)	
		Diethyl (4RS)-2-[(2-aminoethoxy)methyl]-4-(2-chlorophenyl)-6-methyl-1,4-dihydropyridine-3,5-dicarboxylate (Impurity-E): Not more than 0.15%	Not Detected	
		Dimethyl (4RS)-2-[(2-aminoethoxy)methyl]-4-(2-chlorophenyl)-6-methyl-1,4-dihydropyridine-3,5-dicarboxylate (Impurity-F) : Not more than 0.15 %	Not Detected	
		Any unspecified impurity : Not more than 0.10 %	Not Detected	
		Total impurities* : Not more than 0.50%	0.12%

BUYERS TERMS & CONDITIONS

FORMATION OF CONTRACT: These terms and conditions shall be binding once the Supplier acknowledge receipt of Buyer Purchase Order ("PO") and/or upon receipt of Supplier's expressed written confirmation or upon expiry of the 5 working days from the date of the PO regardless of the fact whether the receipt is acknowledged by the Supplier or not. Supplier agreed that these terms and conditions and any other document(s) as referred in the PO, constitute the entire agreement between the two parties.

DELIVERY: The Supplier shall meet the delivery dates as specified in the Buyer's PO. Supplier should not alter, or substitute goods, product, or materials other than (but not limited to) as provided in the: Approved Certificate of Analysis (CoA), approved artwork or approved quotation. In the event of any cancellation or postponement of the delivery date, the Supplier shall notify the Buyer immediately in writing of such amendment or cancellation.

QUANTITY: The Supplier shall ensure to deliver the quantity as required by the Buyer and only 10% variance in the quantity is allowed for raw and packaging materials if approved by the Buyer. Any deviation of the said percentage is not allowed unless approved by the Buyer. In case of excess delivery without Buyer's approval, the Buyer can choose (at its sole discretion) to (a) reject the entire shipment and Supplier will not invoice for that delivery (b) reject those goods in the delivery exceed 10% of the total agreed volumes/quantities; or (c) accept the entire delivery and amend the PO accordingly
For any shortage from the agreed delivery volumes/quantities, the Supplier should confirm the soonest available date for delivery of the remaining volumes/quantities and get Buyer approval prior to shipping.

PACKAGING: The Supplier shall ensure to add a shipping mark on outer pack indicating the following information:

- .) Consignment complete address
- .) Material description
- .) Manufacturer's name
- .) Manufacturing batch number (If applicable)
- .) Manufacturing and expiry dates (If applicable)
- .) Storage condition (if any)
- .) Quantity or weight
- .) Shipper's name and country of origin

The Supplier shall ensure to write the following information on inner box if any (unit carton):

- .) Batch number and expiry date

REGULATORY REQUIREMENT: In the event of shipment of Active Pharmaceutical Ingredients (API's) or semi-finished goods as required by Saudi Food & Drugs Administration (SFDA), the Supplier undertakes to affix a data logger along with the shipment for each product kind per each Envirotainer. The serial number of the data logger shall be indicated either in the Supplier's invoice or Air Waybill (AWB).

INVOICE REQUIREMENT: The invoice should be issued electronically by the Supplier must have the following details (for local Suppliers the following details must be in Arabic language):

- .) Legal name and address of Supplier and buyer. Buyer information as follows:

Jamjoom Pharmaceuticals Company
P.O. Box 6267
Jeddah 21442
Kingdom of Saudi Arabia

- .) The date of invoice
- .) A sequential number uniquely identifying the invoice
- .) The Tax Identification Number and the address of the Supplier (Local & GCC VAT suppliers only)
- .) In cases where the Buyer is required to self-account for Tax on the Supply, the Buyers Tax Identification Number and a statement that the Buyer must account for the Tax
- .) Date of supply (if it's different from the date of invoice)
- .) The quantity and nature of the supply goods supplied, or the scope and nature of the services rendered
- .) The taxable amount per rate or exemption, the unit price exclusive of VAT and any discounts or rebates if they are not included in the unit prices
- .) The rate of VAT applied (Local VAT suppliers only)
- .) In case where Tax is not charged at the basic rate, a narration explaining the Tax treatment applied to the supply (Local VAT suppliers only)
- .) The VAT amount payable, shown in Saudi Riyals (Local VAT suppliers only)

WITH HOLDING TAX (WHT): While, for any services to be performed in the Kingdom by any foreign companies, a withholding tax is levied in accordance with the applicable laws and the amount with the deducted from PO value.

SHIPPING DOCUMENTATIONS REQUIREMENT: As required prior to final dispatch of the overseas order, the following shipping documents shall be attested from chamber of commerce or any other relevant authority to the extent suitable for customs clearing purposes (Note the required documents might change depend on government regulation): -

- .) Invoices = 2 sets (only 1 set is to be attested by chamber of commerce). Draft copy should be sent to Buyer for confirmation prior to attestation for Buyer's confirmation
- .) Certificate of origin = 1 set to be attested by chamber of commerce
- .) Original Bill of Lading (BL) (in case of sea-freight)#need not to be attested.
- .) Copy of AWB (in case of air freight) # need not to be attested
- .) Copy of the Pre-shipment CoA for raw materials to be send directly to Buyer for confirmation prior to dispatch or collection of goods.

Important Note: The consignee's name on BL or AWB should be the Buyer name

Nitrosodialkyl amine, PCA and other carcinogenic impurity:

SUPPLIER shall ensure **CUSTOMER** that the providing material is free from Nitrosodialkyl amine (e.g. NDMA, NDEA), PCA and any other carcinogenic/ toxic impurity. If at any time point these impurities are identified in material, **SUPPLIER** shall immediately inform **CUSTOMER** in formal way.

The shipment schedule should be shared with the Buyer prior to the final booking to ensure the arrival of shipment during the operating days for Saudi customs i.e., avoid the arrivals on Thursday and Friday or any public Holidays shared by the Buyer. All documents after attestation and legalization to be sent directly to the Buyer's indicated address via express courier prior to shipment of the material or goods. In case the Supplier's failure to send the required original shipping documents prior to arrival of the shipment to its destination, the Supplier shall be obliged to pay the customs demurrage on each late day of submission as levied/applied by the relevant authorities.

The Buyer shall issue a credit note by this amount upon paying the fees to Custom Authority or any other cost might occur (extra handling fees, goods damages whatsoever) and have the right to deduct such from Supplier due payment.

LATE DELIVERY AND PENALTY: In the event of Supplier failures to comply specified date of delivery as per the agreed lead time, the Buyer reserves the right to cancel this order, or any portion thereof, without any right of claim for cost or compensation or damages from Supplier.

In case of Supplier fails to execute its contractual obligations within stipulated period date or will not meet its delivery as per its order confirmation with an exceptional case caused directly or indirectly by force majeure as defined herein below, the Buyer reserves the right to apply or impose a rate penalty charge of 0.5% of the total PO value every week for any delayed of shipment to cover its production cost and commitment with its customers. Provided that in all events the totally penalty shall not exceed 10% of the value of the PO.

ASSIGNMENT AND DELEGATION: The Supplier shall neither assign its rights or interests under this order, nor delegate, subcontract any of its duties, obligations, or performance without prior written consent of the Buyer.

SUPPLIER'S COMPLIANCE AND WARRANTY: The Supplier shall warrant the goods or materials manufactured or supplied to Buyer in conformance with pre-approved CoA for raw materials and artwork for packaging materials and other specifications mentioned in approved quotation.

The supplier should notify the Buyer for any changes in manufacturing process/ component and get Buyer approval before implementing the changes

Supplier will provide the consignment form a single lot/ batch of material. More than one supplier lot/batches can only be accepted when order size is bigger than the supplier lot/batch. The Supplier shall ensure to provide, supply, or deliver the Buyer with a minimum production batch (not less than 80% from agreed batch size) for each material ordered.

Material drum/container size of whole shipment should be constant. In case of the non-availability of regular optimum size drum/container bigger or smaller drum/container can be supplied but information about the change in drum/container size should be provide pre-shipment.

The Supplier ensures that all goods, product, or materials provided, and delivered with not less than 75% remaining shelf life (unless there is pre-agreement on this percentage) and comply with Buyer's specifications, free from defects, deterioration and/or contamination and suitable for the intended purposes. The Buyer shall confirm in writing any required batch limit in excess.

INSPECTION AND REJECTION: Received goods or materials are subject to inspection, testing, and approval by Buyer before acceptance. If the goods, materials and services performed are found to be defective, Buyer reserves the right at its sole discretion to reject them or may require the Supplier to replace them without any additional charges or require a reduction in price which is equitable under the circumstances. All goods or goods not in compliance with the specifications hereof, or shipped contrary to instructions, herein provided, or substituted, or not shipped in conformance to Buyer's specifications, violating any statute, ordinance, or regulation, may be rejected by Buyer at its sole discretion either returned the rejected to Supplier's country of origin at Supplier's expense/cost or shall be destroyed either at Buyer site or another place where Buyer deem appropriate at Supplier cost.

The Supplier undertake to pay the cost incurred by the Buyer for such destruction and shipment of the rejected goods. Buyer further reserves the right to demand for compensation or refund of amounts paid in advance immediately without any objection.

Force Majeure: "Force Majeure" shall mean and include any circumstance beyond the reasonable control of Parties including without limitation, the following: any act of nature or the public enemy, accident, explosion, fire, storm, earthquake, flood, drought, perils of the sea, war (whether or not declared), governmental laws, regulations, orders, or decrees, or seizure for reasons other than the adverse financial condition of the party so affected. Force Majeure shall not mean, however, any delay of delivery caused by choice of shipment route by Supplier, which is affected by weather, when alternative shipment routes were available. Notwithstanding anything herein to the contrary, the Buyer may purchase Product from third parties during any period Supplier is unable to satisfy PO as a result of an event of Force Majeure. In case the performance of any terms or provisions hereof shall be delayed or prevented because of an event of Force Majeure, the affected party may, at its option, suspend performance during the period such cause continues, and no liability shall attach against either party on account thereof. Any party suffering an event of Force Majeure shall diligently attempt to remove such cause or causes with reasonable dispatch. As soon as any event of Force Majeure is remedied, the parties' respective rights, obligations and performance as set forth in this Agreement shall be immediately reinstated.

PAYMENT AND INVOICES:

As full consideration for the delivery of goods and/or performance of the services as provided herein, Buyer shall pay the Supplier the amount specified in the PO in accordance with mentioned payment terms upon acceptance and receipt of the original invoice duly signed and stamped and any other documents as may be required by the Buyer.

The due date will be counted based on the INCOTERM specified in the PO (Example: If the Incoterm is CIF Jeddah port, then due date will start from date of shipment arrival to Jeddah airport)

Upon receipt of the goods in conditions and approved by our Quality Control department (QC), the Buyer shall oblige to settle payment against received Supplier's Invoice

AMENDMENTS, WAIVERS, AND MODIFICATIONS: No change in, addition to, modification or waiver of the terms and provisions of this Agreement shall be binding upon Parties unless it is mutually agreed upon in writing. Any such instrument shall be attached to this Agreement and shall be incorporated herein

GOVERNING LAW AND JURISDICTION: This PO shall be governed by the Laws of the Kingdom of Saudi Arabia in which the goods are delivered to, or the services are performed. Any dispute or cause of action which arises in connection with this PO shall be brought before Saudi courts of competent jurisdiction.

Environment, Health, and Safety (EHS) Requirements for Contract Works

The Contract Works shall be always undertaken in compliance with the EHS Requirements.

The Contractor is responsible for ensuring that the Contractor Personnel, Personnel of its own contractor(s) and any visitor to the site, are fully aware of and always comply with the EHS Requirements as per the direction of Jamjoom Pharma EHS in-charge during the performance of the Contract Work or whilst on Site, including the procedures to be followed in cases of emergency.
