VANDERBILT CHEMICALS, LLC
TERMS AND CONDITIONS OF SALE

1. These Terms and Conditions of Sale (the "Terms") constitute the complete and exclusive agreement between the parties and supersede any prior agreements relating to the products sold hereunder (the "Products"). No terms, conditions, prior course of dealings, course of performance, usage of trade, understandings, purchase orders, or agreements purporting to modify, vary, waive, supplement or explain any provision of these Terms shall be effective unless otherwise specifically agreed to in writing by both parties. Any additional or different Terms in Buyer's purchase order or other document are hereby deemed to be material alterations and notice of objection to them and rejection of them is hereby given.

PRICE

2. The price of the Products shall be the price in effect at the time of shipment. Vanderbilt Chemicals, LLC ("Seller") has the right to increase prices at any time and solely at its discretion.

PAYMENT

3. Invoices for sales of Products shall be prepared by Seller as of the time of shipment, and shall be calculated on the basis of Seller's weighing of the Products covered thereby.

Seller's measurements shall govern, except in the case of proven error. Buyer shall pay each invoice in accordance with the terms and conditions stated on the front of the invoice.

TITLE AND RISK OF LOSS

4. Unless otherwise specifically agreed to in writing, title and risk of loss shall pass to Buyer upon delivery to the carrier at Seller's or its supplier's plant or warehouse. Products shall be shipped as agreed between Seller and Buyer. Export/import freight terms shall be governed by International Chamber of Commerce Incoterms 2020.

LIMITED WARRANTY

5. THERE IS NO WARRANTY, REPRESENTATION OR CONDITION OF ANY KIND, EXPRESS OR IMPLIED (INCLUDING NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR USE WITH RESPECT TO THE PRODUCTS, WHETHER USED SINGLY OR IN COMBINATION WITH OTHER SUBSTANCES OR IN ANY PROCESS), EXCEPT THAT THE MATERIAL SHALL BE OF THE QUALITY SPECIFIED HEREIN, and no warranty shall be implied by law. Except as otherwise provided herein, quality shall mean that the Products are in accordance with Seller's or its supplier's specifications in effect at the time of shipment or such other specifications expressly made a part of these Terms. Final determination of the suitability of the Products for the use contemplated by Buyer is the sole responsibility of Buyer, and neither Seller nor any of its suppliers shall have any responsibility in connection with such suitability. No suggestion for use is intended as, and nothing herein shall be construed as, a recommendation to infringe any existing patent or to violate any federal, state or local law or regulation.

INSPECTION AND LIMITATION OF LIABILITY

6. Buyer shall inspect and test the Products for damage or shortage immediately upon receipt. All claims for damage must be reported to the delivering carrier within fifteen (15) days of delivery. All claims for shortage, defect or nonconformity shall be deemed unconditionally waived unless Seller receives written notice of the claim within thirty (30) days of Buyer's receipt of the affected Product. Defective or nonconforming Products shall be returned to Seller at Seller's expense and Seller shall, at its option, either replace the defective or nonconforming Products without additional charge, or refund the purchase price therefor.

7. NOTWITHSTANDING THE ABOVE, SELLER'S AND ITS SUPPLIER'S TOTAL LIABILITY TO BUYER FOR ANY AND ALL CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE OR OTHER TORT, STRICT LIABILITY, PATENT INFRINGEMENT, BREACH OF WARRANTY OR OTHERWISE, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PRODUCT FROM WHICH SUCH CAUSE AROSE. IN NO EVENT SHALL SELLER OR ITS SUPPLIERS BE LIABLE FOR SPECIAL, INCIDENTAL, PUNITIVE, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST REVENUES OR PROFITS. Neither Seller nor any of its suppliers will be liable to Buyer, by way of contribution, indemnity or otherwise, for any part of any loss, damage, or injury to persons or property resulting from Buyer's handling, storage, transportation, resale, use or disposal of Products, except to the extent that such loss, damage or injury is caused by Seller's breach of its warranty as specified in Section 5 above and is within the limit on damages as set forth in this Section 7.

8. Neither Seller nor any of its suppliers shall be liable to Buyer for any delay or failure in performance caused by acts beyond Seller's or its suppliers' reasonable control, including without limitation, acts of God, war, vandalism, sabotage, accidents, explosions, fires, floods, strikes, labor disputes, mechanical breakdown, embargoes or other import or export restrictions, shortage of or inability to obtain energy, shortage of suitable parts, material, equipment, labor or transportation, acts of subcontractors, interruption of utility services or acts of any unit of government or governmental agency.

COMPLIANCE

9. In the event either party suspends or ceases the operation of any producing or consuming facility because the operation and/or the Product fail to comply with, or become uneconomical by virtue of compliance with, any applicable governmental law, regulation, ordinance, standard, order or decree relating to pollution, ecology, environment, health or safety, either party shall have the right, in the case of suspension, to suspend, or, in the case of cessation, to terminate this contract in applicable part without any liability upon fifteen (15) days' prior written notice to the other party.

MISCELLANEOUS

10. Buyer warrants that it will not resell the Products or any technical information to any individual, entity or to any country to which sale or export is prohibited by U.S. laws and regulations.

11. Any controversy or claim arising out of or relating to these Terms, or the breach thereof, shall be settled by arbitration in the City of New York, State of New York and in accordance with the Rules of the American Arbitration Association, and judgment upon the award may be entered in any Court having jurisdiction thereof. The controversy or claim shall be submitted to a mutually agreed upon arbitrator, whose signed, written decision shall be final and binding on the parties.

12. If the financial condition of Buyer becomes impaired or unsatisfactory to Seller, advance cash payment shall be given by Buyer upon demand by Seller and shipments may be withheld until such payment is received. Buyer agrees to pay collection costs incurred by Seller including attorney's fees.

13. If Seller elects to continue performance after a breach or default by Buyer, its actions shall not constitute a waiver of such default or breach. No waiver of any breach of any term or condition shall be construed as a waiver of any succeeding breach.

14. These Terms and Conditions of Sale shall be construed and enforced according to the laws of the State of New York, excluding the United Nations Convention on the International Sale of Goods.
