Destination Control Statement for ECCN:

US ECCN: These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

EU ECCN: The following products are under export control according to EU regulation no 821/2021 setting up a Community Regime Control of Dual-use items and Technology; and may therefore be subject to restrictions if re-exported.

This is a system generated invoice. No signature is required.
